**Aims and objectives of this presentation**

- To disseminate informative videos on what Urology Nurses are doing across EU and beyond.
- To provide a medium that empowers Urology nurses to share their experiences with fellow nurses across many borders.
- The opportunity to show the ever increasing expertise and competence being reached Urology Nurses and become a reference point for others to follow.
- To inspire Urology Nurses to look beyond their current comfort zones and elevate their practice to new heights.

### A new strategy to encourage nurses to join the urology department

**By:** Kisslig D., Bumann H., Willener R.

**Institutes:** Berne University Hospital, Dept. of Urology, Berne, Switzerland
